Mary shared information about the RAC and went over some of the restrictions with the new fields. There will be free parking at the complex and also possibilities of practicing on the fields for a fee if teams were interested. She also let us know we could reserve other fields around the city for practices (there would be a fee for these as well however not as expensive).

D. Schedule/Division Assignments

1. Teams will be assigned a division based on last year's record first. Night of play is not part of division assignments. This is also done for parity.
