

ICL Volleyball Registration Meeting

10-11-10

Steve opened with prayer.

Steve shared that we may not be able to use Olympia Christian School due to the fact that they are selling. Because of this there may not be enough courts to play with as many teams. This will also mean that any church that has more than one team may not be able to have all of their teams. Any team who is asked to drop a team will be refunded their money only if determined by the planning team tonight.

Reminder: Kids are only allowed at the courts if they are supervised and sitting down.

Eldon then shared the following information.

Good Shepherd – Division D
Northwest Christian Academy – Division C & B
Olympia Christian School or Faith Lutheran – Division A

This may change due to having the school or not.

Pre-season is the first 4 weeks. Teams playing well can move up and those who aren't playing well will move down.

December 6th, rosters and waivers are due. Best email is eldon555@q.com to mail rosters and waivers.

Season begins November 1st through December 21st - January 3rd through February 28th.

If roads are bad coaches will be called if games are cancelled.

In the facilities, if children are present they must have an adult with them at all times. If they must use the restroom they have to have someone with them. Leave facility better than we found it.

The first few weeks at Faith Lutheran the gym will be concrete.

Tonight: \$150.00 per team, registration form, waiver/roster form. One person-one roster. First offense-warning, second offense- no longer allowed to play rest of season.

Game times are: 6:15, 7:15, 8:15. 6:15 games will referee the 7:15 games, 7:15 games will referee the 6:15 and 8:15 games. 8:15 teams will not referee that night.

Rules will be given for each location and a referee class will be given.

Make sure email addresses are clear on the registration forms so that coaches can be contacted.

If you have not filled out a background check in the last two years then a background check will need to be filled out and mailed to Rhonda. This is for coaches with players under the age of 18.

Waivers are for your safety and for ours. The fees are as minimal as we can make them by self-officiating, etc.

Tom, our web manager, gave information concerning the website and reporting scores.

Meeting adjourned. Registrations, etc were accepted.
